OCEM Airfield Technology
a division of Energy Technology S.r.l.
Via 2 Agosto 1980, 11
40016 San Giorgio di Piano
Bologna - Italy

The product described below is hereby approved for listing in the next issue of the Federal Aviation Administration (FAA) Advisory Circular (AC) 150/5345-53, Appendix 3 Addendum "Airport Lighting Equipment Certification Program. The approval is based on successful completion of tests in accordance with the specifications listed in, and the requirements for approval described in the Advisory Circular, and the reporting to the Program Administrator the results of such tests, accompanied by related documents by an Intertek recognized testing laboratory. This Certificate is only confirmable in conjunction with equipment being listed in AC 150/5345-53, Appendix 3, Addendum, as currently published by the FAA. The certification is not valid for a product modified with non-OEM replacement parts or non-production components.

L-862– Lights, Runway Edge and Threshold (High Intensity) and Stop Bar
(AC 150/5345-46D)
